***Oregon Horse Council's mission is to connect, strengthen, & represent the Oregon equine industry.***

The Oregon Horse Council represents the equine industry across Oregon and at the national level (through the American Horse Council). We are active with Travel Oregon, State Coalition of Horse Councils, Oregon Sports Coalition, the Agri-Tourism network, and multiple Outdoor Recreation

committees. We are the voice of the equine industry and work hard to make sure that equestrians are at the table when our lifestyle is being impacted or discussed.

The Oregon Horse Council is committed to providing the equine community with networking, business and event promotion opportunities, valuable educational programs, and discounts to save you money.

We support all Oregon equestrians, their businesses, and lifestyles by:

**Morgan Horse Association of Oregon**

We celebrate America's horse; the first American breed & the horse that was used as a foundation for all the American breeds that followed. The Morgan Horse is the American Calvary Horse, our first Trotting Horse, & a wonderful ranch horse.

His history is woven throughout the history of our country.

**The Morgan is renowned for his beauty, versatility, loving nature, & strong work ethic.**

Today he is a true family horse for all disciplines & a real show off wherever he goes.

Let us introduce you to the Morgan Horse!

## **Oregon Equine Foundation**

HELPING OUR COMMUNITY HEROES

Oregon Equine Foundation is an IRS 501(c)(3) non-profit organization supporting heroes of the equine world by fundraising and giving grants to qualified non-profits. We help the heroes who work to rescue abandoned and abused horses, introduce riding to under-privileged children, offer riding therapy to veterans, create feed-banks, and make so many other vital and valuable contributions to our community.

The Foundation shares your passion for horses and works to promote achievements, professions and charitable giving that will enrich your life and save the lives of people and horses at risk. We invite you to learn more about our grant programs and consider supporting the Foundation with a donation or volunteer time.
